Atlanta, GA: April 2, 2013

KAM South LLC, is proud to announce that Christian Koch, CFP®, has been accepted into the nation's most exclusive group of financial advisors — **Ed Slott's Elite IRA Advisor Group™**. Ed Slott's Elite IRA Advisor Group™ is a group of financial advisors dedicated to solving the country's biggest and most complex financial problem — effectively managing the distribution of assets from Individual Retirement Accounts (IRAs).

To be selected for Ed Slott's Elite IRA Advisor Group™, an advisor must meet the educational requirements and make a commitment to continue IRA training with Ed Slott and Company. This training involves multiple live sessions as well as ongoing instruction throughout the year from Ed Slott and his team of IRA Experts.

Ed Slott was named "The Best" source for IRA advice by *The Wall Street Journal*. Mr. Slott created the nationally aired #1 Public Television Fundraising Special, "**Stay Rich Forever & Ever with Ed Slott.**" He is the author of *The Retirement Savings Time Bomb...And How to Defuse It, Parlay Your IRA into a Family Fortune, and Your Complete Retirement Planning Road Map*. Ed Slott's website www.IRAHELP.com is visited by thousands of financial advisors each month.

"I speak to more than 50,000 financial advisors a year," commented Mr. Slott. "I can confidently say that The Elite IRA Advisor Group represents the top 1% of all financial advisors in the country."

"Since IRAs were first established, the only thing advisors and investors have worried about is how to get money into them. Now, with baby boomers entering their retirement years, and once-secure pensions disappearing, investors will have to change their focus. The real issue now is how to get money out of IRAs correctly, without losing an undue amount to taxes or penalties," Mr. Slott said. "There are very few advisors who know what to look for. The Elite IRA Advisor Group members not only know what to look for, they know what to do."

Members of Ed Slott's Elite IRA Advisor Group™ are armed with specialized knowledge, tools and programs such as The Complete IRA Care Solution™, which takes clients through a diagnostic checklist to ensure that their IRAs are set up and maintained correctly.
